Commercial notes

1. Rates are DDP Bangalore and include freight, packing and transit insurance. No separate freight will be billed.
2. GST at 18% is extra on all lines. HSN 48191010 / 48192010 as applicable.
3. Minimum order per line is 2,000 pieces except rolls and pallet boxes where MOQ is 100.
4. Price break: 3% reduction on rate/kg for any line where the released quantity exceeds 20,000 pieces.
5. Payment 30 days net. Early settlement within 10 days attracts 2% cash discount.
6. Kraft paper is imported; rates are firm for 90 days after which they follow the RISI kraft index.
7. Weekly staggered despatch is available at no extra cost. Partial delivery accepted.
8. Replacement for damaged/rejected board within 72 hours of intimation.
9. Local warehouse at Bommasandra holds approximately 3 weeks of buffer for repeat lines.

** An additional across-the-board settlement discount of 4% applies to the total invoice value if the entire requirement of all thirty lines is placed on Shakti Corrugators as a single annual contract.*

Annexure A - Buyer questionnaire

Q1. Do you hold a valid ISO 9001:2015 certificate?

Yes - ISO 9001:2015, certificate SCL/QMS/2024, valid to Jun-2027

Q2. Do you hold FSC Chain-of-Custody certification for kraft paper?

No - FSC CoC application submitted, audit scheduled Nov 2026

Q3. What is your monthly corrugation capacity in metric tonnes?

Approximately 1,250 MT per month across two plants

Q4. Do you operate an in-house testing lab (bursting strength / ECT)?

Yes - NABL accredited in-house lab, bursting strength and ECT

Q5. How many years have you supplied corrugated packaging?

31 years

Q6. Can you hold two weeks of buffer stock at your plant?

Yes - 3 weeks buffer at Bommasandra warehouse

Q7. What is your on-time-in-full (OTIF) performance for the last 12 months (%)?

96.2% OTIF for FY25-26 (source: our SAP despatch report)
